

Harlem's Nocturne

[Alicia Keys](#)

Drop it
Yeah, yeah
Come in for a minute, huh
Welcome back
It's just me and you in this room right now
There's so many things that are on my mind
Ah, yeah, ah
Sometimes it's hard to say, so I take all I've got
That's why I take all I have and I put it into this
I put it right here in my diary
Can you feel it?
Uh, uh, uh
Take this journey with me
