Unconditional

Ne-Yo

And I would do anything for you
Not words, no I really mean it
Let the whole damn world declare war on me
just for standing by your side
if you leave, you was the one way I'd survive,
I'd gladly die I mean it
I would do anything for you
uncondition, unconditional love
And I would do anything for you
I'm talking uncondition, unconditional love
And I would do anything for you (for you, for you, for you)
Not words, let my actions speak it (anything for you, for you)
let the sun decide that it wont shine until i say that we are through i will live my life in darkness just for you
i swear its true I mean it
I would do anything for you
uncondition, unconditional love
And I would do anything for you
I'm talking uncondition, unconditional love
unconditional love
(I'm talking uncondition, unconditional love)
(im talking uncondition, unconditional love)
I don't care about whats popular
I don't hear a word they say
what I know is that it's you and me
until the both of us die in death
I would do anything for you
uncondition unconditional love
I would do anything for you baby
uncondition unconditional love
uncondition, unconditional
unconditional unconditional
said unconditional, unconditional love
unconditional, unconditional, unconditional love
