

# Someone(vo:Brad Delp)

## Boston

I hear you won't even say my name  
I know things could never be the same But whenever I call your number  
You're not at home, don't hear the phone  
Whenever I start to wonder  
Are you alone, are you alone Someone won't go to sleep tonight  
Someone is gonna hurt inside They say you receive the love you give  
Someday you'll believe it's how I live But when ever I call your number  
I'm all alone and on my own  
Whenever I start to wonder  
The things you said, the words I read Someone won't go to sleep tonight  
Someone is gonna hurt inside Someone like me, someone like me, like me Someone won't go to sleep tonight  
Someone is gonna hurt inside Someone won't go to sleep tonight  
Someone is gonna hurt inside.
