

# Don't Say You Love Me

M2m

Got introduced to you by a friend  
You were cute and all that, baby you set the trend, yes you did oh  
The next thing I know we're down at the cinema  
We're sitting there you start kissing me  
What's that about?  
You're moving too fast, I don't understand you  
I'm not ready yet, baby, I can't pretend, no I can't  
The best I can do is tell you to talk to me  
It's possible, eventual, love will find a way  
Love will find a way  
Don't say you love me, you don't even know me  
If you really want me then give me some time  
Don't go there baby, not before I'm ready  
Don't say your heart's in a hurry  
It's not like we're gonna get married, give me, give me some time  
Here's how I play, here's where you stand  
Here's what to prove to get any further than where it's been  
I'll make it clear, not gonna tell you twice  
Take it slow, keep pushing me, you're pushing me away  
Pushing me away  
Don't say you love me, you don't even know me  
If you really want me then give me some time  
Don't go there baby, not before I'm ready  
Don't say your heart's in a hurry  
It's not like we're gonna get married, give me, give me, some time  
Don't say you love me, you don't even know me, baby  
Don't say you love me, you don't even know me  
If you really want me then give me some time  
Don't say you love me, you don't even know me  
If you really want me then give me some time  
Don't go there baby not before I'm ready  
Don't say your heart's in a hurry  
It's not like we're gonna get married, give me, give me, some time  
Baby, don't say you love me, you don't even know me  
If you really want me then give me some time  
Don't go there baby, not before I'm ready  
Don't say your heart's in a hurry  
It's not like we're gonna get married, give me, give me some time  
Don't say you love me, you don't even know me

If you really want me then give me some time  
Don't go there baby not before I'm ready
