Is You Is or Is You Ain't My Baby

Dinah Washington

Breakin' the silence, is the hardest thing in life Knowing that your wrong Feelin' like you can't go on I've been a victim so many times But I'm man enough to know when I'm wrong With the fresh cut mullets, back row in sight Pass the packed bowl and I'ma rock all night Up tight right wingers, tryin' say I'm what Well, I'm a flight bound singer not giving a fuck Hard luck, I'm the devil with the grace of God On the level of Oz and it makes you nod With the body of a sinner, mind of a saint I'm everything you love, everything you hate Hit a lot of curves, hard roads and hills Got nerves of steel and watch time stand still It took too long but I stood my height You could say I'm wrong but you ain't right You ain't right You, you, you ain't right You ain't right Right You ain't, you ain't, you ain't right You ain't, you ain't, you ain't right You ain't, you ain't, you ain't right You can save the environment with all your wit But can you save your children from a world of bullshit You look at me with a loss for love But if you took me out, would your kids still do drugs? You wanna point your finger at the unclear You wanna point your finger at the unclear You wanna point your finger at the unclear You outta point your finger in the mirror You wanna trip, quit 'cause I'ma keep rippin' And you can, bitch but the strippers gonna keep strippin' I'm singin' songs in the key of life And you can say I'm wrong but you ain't right You ain't right You, you, you ain't right

You ain't right

We just came to (Get on down now)

Rock

Rock on, rock on, rock on
Cowboy, baby, cowboy, baby
You ain't right
You ain't, you ain't, you ain't right
You ain't, you ain't, you ain't right
You ain't, you ain't, you ain't right
You, you, you, you ain't right
You ain't, you ain't, you ain't right
