Fun

Joe Walsh

I'm gonna have my own private party
Gonna invite everyone I know
We'll all have our own personal celebration
I'm gonna send out invitations
To all my friends -- your friends -- and their friends too
We'll all go on a permanent paid vacation
Wouldn't that be fun?Fun
And if anyone asks you I like having fun
Fun
I like having fun
Here we go nowWell if I was king I'd sign a proclamation
And if I was president I'd pass a law
And I'd call for a full-blown Senate investigation
Of everyone who wasn't having funFun
If something ain't fun why do it?
I'd rather have fun
That's all there is to it
