

Never Forget You

Our Last Night

[Verse 1]

I used to be so happy but without you here I feel so low,
I watched you as you left but I can never seem to let you go.
Cause once upon a time you were my everything,
It's clear to see that time hasn't changed a thing.
It's buried deep inside me but I feel there's something you should know.[Chorus]

I will never forget you,
You will always be by my side.
From the day that I met you,
I knew that I would love you 'til the day I die.
And I will never want much more,
And in my heart, I will always be sure;
I will never forget you,
And you will always be by my side,
'Til the day I die.[Post-Chorus: Zara Larsson]

Til the day I die,
Til the day I die,
Til the day I die.[Verse 2]

Funny how we both end up here but everything seems so right,
I wonder what would happen if we went back and put up a fight.
Cause once upon a time you were my everything,
It's clear to see that time hasn't changed a thing.
So, just what do you think could ever take you off my mind?[Chorus]

I will never forget you,
You will always be by my side.
From the day that I met you,
I knew that I would love you 'til the day I die.
And I will never want much more,
And in my heart, I will always be sure;
I will never forget you,
And you will always be by my side,
'Til the day I die.[Bridge]

Feeling it, loving it, everything that we do,
And all along, I knew I had something special with you.
But sometimes you just gotta know that these things fall through,
But I'm still tied and I can't hide my connection with you.
Feeling it, loving it, everything that we do,
And all along, I knew I had something special with you.
But sometimes you just gotta know that these things fall through,

I can't hide my connection with you! [Chorus]
I will never forget you,
You will always be by my side.
From the day that I met you,
I knew that I would love you 'til the day I die.
And I will never want much more,
And in my heart, I will always be sure;
I will never forget you,
And you will always be by my side,
'Til the day I die. [Outro]
Til the day I die, 'til the day I die, 'til the day I die,
Til the day I die, 'til the day I die, 'til the day I die.
And you will always be by my side!
I will never forget you,
I will never, never, never, never, never, never, never, never!
I will never forget you,
Til the day I die.
