

# Soundtrack to the Struggle

## Lowkey

[Lowkey Intro]

It's been a long time coming

Too long, too long

It's been in the making a quarter century

But its here now, its here now

If by time you hear this album, I'm not here you know why

[Mavado Hook]

Tell ya

So mi say

Too many suffering too many tears

To see a youth die Im a know him for years

When me look around nobody care

The people Dem a live inna fear

The system need to change right now

To much you do could a inna grieve right now

I know si the bigger is a give right now

After ghetto people A no steep right now (Woo ooh! oi!)

The system need to change right now

To much you do could a inna grieve right now

I know si the bigger is a give right now

After ghetto people A no steep right now (yeah yeah!)

[VERSE 1]

My music Is my natrual resource, now I want it back

Til I sever every single chain I will not relax

Just constant attack, til my world looks like Monserrat

Contact my comrades, for combat, what's concious rap

When you say the truth, they attack like a Sabertooth

Thinkin clear they make you disappear like you hate the fruit

We dont need more Boens, we dont need more Rebors, weed or Lyor Cohens

They tell us about terrorism and tell us about terrorists

Look up the definition and tell us what terror is

Only know the definition if the television tells us it

Public Enemy #1 they treat me like Professor Griff

This album has been in the making a quarter century

Born to bless the beat and rap over recorded melody

I knew the truth since I was a small little boy

I am a product of the system I was born to destroy

[Mavado Hook]

Me can't believe I saw dem cheat people

And they fi protect and dem a leave people  
I me no si no system fi di street people  
Can't believe dem ah lead people  
The system need to change right now  
To much you do could a inna grieve right now  
I know si the bigger is a give right now  
After ghetto people A no steep right now (Woo ooh! oi!)

[VERSE 2]

On the news, they glorify their own henchmen  
Support the troops, but won't mention Joe Glenton  
It's funny cus the rappers are posing as the gangsters  
While the government taking money as bonuses for bankers  
In life you learn, to close your eyes and hold your tounge  
But together we will overcome, there's never been a chosen one

Still tryna understand, the land I stand on

I'll probably die from cancer or \_\_\_\_\_

I will never give up, I will never just quit

I will never give in, I will never submit

The reason that I came, Is bleeding from the veins  
Of the people cus we equal, only Freedom is the aim

[VERSE 3]

If you're subordinate to corpoate guys supplying you orders  
You're fighting fire with fire, Im fighting fire with water  
When they kill me, I know I'll die with a focused mind

Plus there will be millions of me, ready to multiply  
Dont just mention, acknowledge me, remember to honour me  
My pen and this honesty, defendin equality  
Declreared a republic, and ended your monarchy  
Your corporate dictatorship, pretends It's democracy  
I hold your bloodline, accountable for every crime  
Adam Smith to Rothschild, It's all been a clever lie  
Two choices now, revolution or genocide  
But thanks to Rupert Murdoch neither one will be televised
