Skin

Kyla La Grange

Well I'm still alone in the back room
Fighting with a black mood, keeping quiet
And I'm still looking through a cracked door
Looking at you, all in the light
And you don't know how hard I tried
To keep my eyes shut tightBoy I keep seeing her skin on your skin
Oh I keep seeing her skin on your skin
But I don't wanna screw you, bad boy
Wanna make you sad, boy
I can never say
I'm so done with this, my love
I'm so done with this, my love
Now I see it in my sleep, boy
Hear it in my ears, boy
I can never sayI'm so done with this my loveI'm so done with this, my love
Why did you want her that much?
I'm still alone like I told you, noone's gonna get through
I'm on fireAnd I will burn til' it don't hurt
I'm going headfirst, hear me cry
And you don't know how far I've gone
It tears me up inside
'Cause I keep seeing her lips on your lips
Oh I keep seeing her lips on your lips
But I don't wanna screw you, bad boy
Wanna make you sad, boy
I can never say
I'm so done with this my love
I'm so done with this, my love
And now I see it in my sleep, boy
Hear it in my ears, boy
I can never say
I'm so done with this my, love
I'm so done with this, my love
Why did you want her that much?
(Gimme time and I'll get better)
(Don't you know that I love, better...)
(Just gimme time and I'll get better)
(Don't you know that I love, better...)
