Turned Blue

Caroline's Spine

Let me tell you somthing about myself.
Think I'll tell you and nobody else,
Because deep down inside I know you're listening.
I think about her every night.
I watch her move beneath the moonlight.
She was the only one I could turn to, turn to,
And I'll never turn to anyone else.
So now you know,
Just how I loved her so.
I did anything she told me.
You see, I'm a simple man with simple dreams.
I'm telling you things are not what they seem,
Because deep down inside I know you're listening.
I wanted nothing but to make her feel,
A life with me could be so surreal.
She told me not to let go until she turned blue,
and I'll never turn to anyone else.
So now you know,
Just how I loved her so.
I didn't want to go away.
I did anything she told me.
I did everything she told me.
I know she's up there laughing at me.
She was the only one.
So now you know,
Just how I loved her so.
She wasn't supposed to go away.
I did anything she told me.
I did everything she told me.
So, let me tell you something about myself.
Think I'll tell you and nobody else,
because deep down inside I know you're listening.
She decided her fate that night.
Shut her eyes for the last time.
She's the only one that could make you understand.
