Unskinny Bop

Poison

{Unskinny bop, yeah
Come on
Come on I'ma goin' easy
I'ma goin' out now
Hoo ooh!}
Ooh what's got you so jumpy?
And why can't you sit still, yeah?
Like gasoline you wanna pump me
Oh then leave me when you get your fill, yeah
Every time I touch you, you get hot
I wanna make love you never stop
Come up for air, move into the floor
What's been goin' on in that head?
Unskinny bop
Blows me away, sing it
(Ooh ooh)
Unskinny bop, bop
All night n' day, do it
(Ooh ooh)
Unskinny bop bop bop bop
She just loves to play
(Ooh ooh)
Unskinny bop nothin' more to say, come on
You look at me so funny
Love bite got you acting oh so strange
She's got too many bees in honey
Am I just another world peeling in ah? Check out
Every time I touch you, you get hot
I wanna make love, you never stop
Come up for air put me to the floor
What's been going on in that head?
Unskinny bop
Blows me away, sing it
(Ooh ooh)
Unskinny bop bop

All night n' day, do it
(Ooh ooh)
Unskinny bop, bop, bop, bop

She just loves to play
(Ooh ooh)
Unskinny bop nothin' more to say
You're sayin' my love won't do yeah
But that ain't love written on your face
Well honey I can see right through yeah
Yeah who's on who at the end of the race
What's right?
What's wrong?
What's left?
What the hell is going on?
Oh let's sing it
Unskinny bop
Blows me away, do it
(Ooh ooh)
Unskinny bop, bop
All night n' day, hit it
(Ooh ooh)
Unskinny bop, bop, bop, bop
She just love to play yeah
(Ooh ooh)
No faith from (Incomprehensible)
Unskinny bop
No good, no good, no fucking good
(Ooh ooh)
Unskinny bop, bop
All night n' day, do it
(Ooh ooh)
Unskinny bop, bop, bop, bop
Oh no good, no good, good, no good
(Ooh ooh)
Unskinny bop nothin' more to say, kick it
Check it!
