

Louisiana Women

Waylon Jennings

I got a gal in Baton Rouge she calls me Louisiana
She gives me a [Incomprehensible] an' something to eat
She knows just what I want, she treats me right
Lord, Lord, Lord, treats me right, yes, she do
Treats me right Yeah, take it [Incomprehensible] I went down to New Orleans to have myself a ball
The ladies there, they don't care, they just don't care at all
But they treat you right, Lord, Lord, Lord, treat you right
Louisiana gal treats you right
[Incomprehensible] From the gulf of Mississippi up to Baton Rouge
The Louisiana ladies, boy, you just can't lose
They treats you right
Lord, Lord, Lord, treat you right, treats you right, boy
