

July Morning (previously unreleased)

Uriah Heep

There I was on a July morning
Looking for love
With the strength
Of a new day dawning
And the beautiful sun At the sound
Of the first bird singing
I was leaving for home
With the storm
And the night behind me
And a road of my own With the day came the resolution
I'll be looking for you
La la la la I was looking for love
In the strangest places
Wasn't a stone
That I left unturned
Must have tried more
Than a thousand faces
But not one was aware
Of the fire that burned In my heart, in my mind, in my soul
La la la la There I was on a July morning
I was looking for love
With the strength
Of a new day dawning
And the beautiful sun And at the sound
Of the first bird singing
I was leaving for home
With the storm
And the night behind me
Yeah, and a road of my own
