

# History Is Made At Night

## SMASH Cast

Put down the playbook  
Cause the things I wanna show you cant be written down  
Let my lips do the teaching Turn off the camera  
Kick your shoes off for this scene you should be sitting down  
Yeah sitting close enough for reaching Turn down the lamp  
For the last page has been turned When the dawns breaking through We can stop and review all the lessons youll  
have learned Cause history is made at night so close the books turn off the light and listen  
Let my heart be the teacher  
No one here to disapprove  
As we review the lessons youve been missing  
Let the moon be our only light  
Cause history is made at night I see the questions burning in your eyes or is it just reflections  
Mm of the stars high above you Oh Im just your student and I hope you wont be shy please make corrections  
Yeah on the sweetest way to love you Come whisper close tell me just when to say when Then well sleep through  
the day Then whenever you say thats when school begins again Cause history is made at night so close the books  
turn off the light and listen  
Let my heart be the teacher  
No one here to disapprove  
As we review the lessons youve been missing  
Let the moon be our only light  
Cause history is made at night Someday theyll write lots of books  
About our fame and glory But if all their reports are just movies and sports  
Theyll be missing the whole story Cause history is made at night so close the books turn off the light and listen  
Let my heart be the teacher  
No one here to disapprove  
As we review the lessons youve been missing  
Let the moon be our only light Cause history is made at night  
Yes our history was made at night
