

# Sick Like Me (Mantis Remix)

## In This Moment

Is it sick of me to need control of you  
Is it sick to make you beg the way I do  
Is it sick of me to want you crawling on your knees  
Is it sick to say I want you biting down on me  
Are you sick like me  
Am I beautiful  
As I tear you to pieces  
Am I beautiful  
Even at my ugliest you always say  
You're beautiful  
As you tear me to pieces  
You are beautiful  
Even at your ugliest I always say  
You're beautiful and sick like me  
Is it sick of me to feed the animal in you  
Is it sick to say I tease the hunter like I do  
Is it sick of me to watch the wicked way you thrill  
Is it sick to say I live to break your will  
Are you sick like me  
Am I beautiful  
As I tear you to pieces  
Am I beautiful  
Even at my ugliest you always say  
You're beautiful  
As you tear me to pieces  
You are beautiful  
Even at your ugliest I always say  
You're beautiful and sick like me  
Am I beautiful  
As I tear you to pieces  
Am I beautiful  
Even at my ugliest you always say  
You're beautiful  
As you tear me to pieces  
Am I beautiful  
Even at your ugliest I always say  
Am I beautiful  
As I tear you to pieces  
You're beautiful  
Even at my ugliest you always say  
You're beautiful and sick like me
