

Capricorn (a Brand New Name)

30 Seconds To Mars

So I run, hide and tear myself up
Start again with a brand new name
And eyes that see into infinity I will disappear
I told you once and I'll say it again
I want my message read clear
I'll show you the way, the way I'm goin' So I run, hide and tear myself up
Start again with a brand new name
And eyes that see into infinity I was almost there
Just a moment away from becoming unclear
Ever get the feeling you're gone
I'll show you the way, the way I'm goin' So I run, hide and tear myself up
I'll start again with a brand new name
And eyes that see into infinity, into infinity So I run
Start again
With a brand new name
With a brand new name (So I run)
So I run and hide and tear myself up
(Start again)
Start again with a brand new name
(With a brand new name)
And eyes that see into infinity, into infinity
(With a brand new name) I will disappear
