Liquido

Left abandoned and abused . maybe I'm so confused.

Take my chance and do my best . better than the whole rest.

Never change it 's just too late . we can 't be friends well think again now.

I will realize my plan doing what I can .

Never gonna change never gonna change . Fix me right and then .

we'll see what's coming now . take a little bit of this and that .

Take a little bit of supersonic banners ...make me so sad .

Supermega Tony Vega like a beggar like on an easy chair I like it when you're so aware .

Supersonic games supersonic games.

who's to blame who's to b...b...b...b...blame:Chorus:BIG BOY DOUBLEDECKER, MAKIN' MY HEART GO
QUICKER.

IT'S A BAD GAME, DREADFUL LIKE MIGRAINE.To the ladies ...I feel I'm slippin' through the cracks .
two times rhymin' on this track .

Laughin' 'bout the thing we did . another day so uninspired .

Never gonna change never gonna change . Fix me right and then .

we'll see what's coming now .

take a little bit of this and that .

Take a little bit of supersonic banners ...make me so sad .

Supermega Tony Vega like a beggar like on an easy chair I like it when you're so aware .

Supersonic games supersonic games ..

who 's to blame who's to b...b...b...b...blame:Chorus:BIG BOY DOUBLEDECKER, MAKIN' MY HEART GO
QUICKER.

IT'S A BAD GAME, DREADFUL LIKE MIGRAINE.
