The Fly (Live from 'Stop Sellafield' Concert)

U2

Oh, baby childIt's no secret that the stars are falling from the sky
It's no secret that our world is in darkness tonight
They say the sun is sometimes eclipsed by a moon
You know I don't see you when she walks in the roomIt's no secret that a friend is someone who lets you help
It's no secret that a liar won't believe anyone else
They say a secret is something you tell one other person
So I'm telling you, childA man will beg
A man will crawl
On the sheer face of love
Like a fly on a wall
It's no secret at allIt's no secret that a conscience can sometimes be a pest
It's no secret ambition bites the nails of success
Every artist is a cannibal, every poet is a thief
All kill their inspiration and sing about their griefOver loveA man will rise
A man will fall
From the sheer face of love
Like a fly from a wall
It's no secret at allLove, we shine like a
Burning star
We're falling from the sky
TonightA man will rise
A man will fall
From the sheer face of love
Like a fly from a wall
It's no secret at allOh, yeah!
It's no secret that the stars are falling from the sky
The universe exploded 'cause of one man's lie
Look, I gotta go, yeah I'm running outta change
There's a lot of things, if I could I'd rearrange
