The Witching Hour

Borknagar

Music: Romeo-Pinnella
Lyrics: Allen-Romeo
T'was seven score and sixteen more
A dreadful scene to behold
Marble silhouettes, white statuettes
Forever gaze into time
(Caught in a web between life and death)
CHORUS
Visions dance throughout the night
In the pale moon light
In the witching hour
Haunting minuet, immortal duet
Dance to the waltz of the souls
Stillness falls upon the aging hall
The fading chimes echo midnight
(Caught in a web between life and death, life and death)
CHORUS
Visions dance throughout the night
In the pale moon light
In the witching hour
SOLO
CHORUS
Visions dance throughout the night
In the pale moon light
In the witching hour
CHORUS
Visions dance throughout the night
In the pale moon light
In the witching hour
