

Loving You Is Sweeter Than Ever

[Michael McDonald](#)

Remember me before we met
Every night and day
I had to live the life
Of a lonely one And I remember meeting you
Discovering love could be true
It shared by two
Instead of one When you said you loved me and want me
And we could not be parted
Said, I built my world around you
Ever since I found you, darling Loving you has made my life
Sweeter than ever, now baby
Loving you has made my life
Sweeter than ever, baby Each day I pray we'll never part
For the love within my heart
Grows stronger baby, day to day And best I came, I always try
To reassure and satisfy
You know, I'll be lost
If you went away When you said you loved me and want
And we could not be parted
When I built my world around, baby
Ever since I found you Loving you has made my life
Sweeter than ever, baby
Loving you has made my life
Sweeter than ever and ever When you said you loved me
And we could not be parted
Said I built my world around you
Ever since I found you, baby Loving you has made my life
Sweeter than ever, no no baby
Loving you has made my life
Sweeter than, sweeter than ever now baby, baby Loving you has made my life
Sweeter than ever, ever
Loving you has made my life
Sweeter than ever, ever Loving you has made my life
Sweeter than ever, ever
Loving you has made my life
Sweeter than ever, ever Loving you has made my life
Sweeter than ever
Loving you has made my life
Sweeter than ever
