

# Inside the Eye of Algond

# **Rotting Christ**

I travelled with him in uncontrolled dimensions  
I knew the forbidden plateau of length  
    Kuntath the freezing desert  
    beyond the gate of Silver key  
I arrived to Kythal near to Arcturo  
    Up to Mnar and the lake of hall  
Up to ky-yian and the Mythical karkassa  
    Up to Yantith and Y'XA-NULEI  
        near to Insmuth  
    Inside the eye of Algond  
        I saw from distance  
            down the zodiac  
        Inside the secret eye  
            the star of famelot  
    touch the top of down of tree
