

Saul Bellow

Sufjan Stevens

What's the worth of
All the work of my hands?
And the worst of
On Lake MichiganGetting solid walls with the know-it-alls
Get in trouble with Saul Bellow
Getting solid walls with the know-it-alls
Get in trouble with Saul BellowAnd my good friends
With their eyes on what it takes
I could kiss them
But the reeling's make mistakesGetting solid walls with the know-it-alls
Get in trouble with Saul Bellow
Getting solid walls with the know-it-alls
Get in trouble with Saul Bellow
