

Ship of Fools (feat. Anthony Thistlethwaite)

World Party

We're setting sail to the place on the map
From which no one has ever returned
Drawn by the promise of the joker and the fool
By the light of the crosses that burned
Drawn by the promise of the women and the lace
And the gold and the cotton and pearls
It's the place where they keep all the darkness you need
You sail away from the light of the world on this trip, baby

You will pay tomorrow
You're gonna pay tomorrow
You will pay tomorrow

Oh, oh, oh
Save me, save me from tomorrow
I don't want to sail with this ship of fools, no, no
Oh, save me, save me from tomorrow
I don't want to sail with this ship of fools, no, no
I want to run and hide right now

Avarice and greed are gonna drive you over the endless sea
They will leave you drifting in the shallows
Or drowning in the oceans of history
Traveling the world, you're in search of no good
But I'm sure you'll build your Sodom like you knew you would
Using all the good people for your galley slaves
As your little boat struggles through the warning waves but you don't pay

You will pay tomorrow
You're gonna pay tomorrow, yeah
You're gonna pay tomorrow

Save me, save me from tomorrow
I don't want to sail with this ship of fools, no, no, no
Save me, save me from tomorrow
I don't want to sail with this ship of fools

Where's it comin' from?
Oh, where's it goin' to?
It's just a, it's just a ship of fools

All aboard now

Doo-doo-doo-doo-doo-doo-doo

Doo-doo-doo-doo-doo-doo-doo

Doo-doo-doo-doo-doo-doo-doo

Doo-doo-doo-doo-doo-doo-doo

Doo-doo-doo-doo-doo-doo-doo

Doo-doo-doo-doo-doo-doo-doo
