

I Can't Take It

Todd Rundgren

I can't take it no more
I can't take it no more
I can't take it no more
I can't take it no more
I can't take it no more
I can't take it no more I can't take it no more
I can't take it no more
I can't take it no more
I can't take it no more Let's feel the music I can't take it no more
I can't take it no more
I can't take it no more
I can't take it no more I can't take it no more
I can't take it no more
I can't take it no more
I can't take it no more
I can't take it no more Let's feel the music
