

# Men's Needs

## The Crips

Have you noticed, I've never been impressed  
By your friends from New York and London  
I'll level accusations like the press  
Till you realize that you've dressed yourself in tatters

Because the man's needs  
Man's needs are full of greed, are full of greed  
A man's needs, man's needs  
Are lost on me

A man's needs, man's needs  
Are full of greed, are full of greed  
A man's needs

I'm not bothered, what you say or how you dress  
I'm a mess, so you've always seemed inviting  
But really, this all seems quite meaningless  
And I remember that you never seemed to see

The fact that man's needs  
Man's needs are full of greed, are full of greed  
A man's needs, man's needs  
Are lost on me

A girl's needs, girl's needs  
Just don't agree, just don't agree  
With man's needs

Have you noticed, I've never been impressed  
By your friends from New York and London  
But really this all seems quite meaningless  
And I remember that you never seemed to see

The excuse, that man's needs, man's needs  
Are full of greed, are full of greed  
A man's needs, man's needs  
Are lost on me

You say your man's needs, man's needs  
Have lots on me

I don't agree  
A man's needs, oh, oh
