Honestly

Bethany Joy Lenz

Honestly, I didn't mean to cry so hard,
but the heartache was pouring in like rain,
I didn't mean to show I care.Honestly, I didn't mean to laugh so loud,
but it just sounds so absurd to say that you want me, say that you need me
after everything you've done.Really, truly, I didn't mean to hurt you,
I just thought that maybe now we'd have better luck the second time around,
it's always better the second time, I hear.(Chorus)
Find me in the evening when you're ready to dance
and I will take you to the places,
where you never thought you'd have the chance to love,
love, love is all we have,
I will run myself in circles here without you.Please believe that I tried my best to forget you,
but the memories keep flooding back like tears,
I didn't mean to fall in love.But sitting here just waiting for this is torture,
I'm so glad you're far away,
is that a terrible thing to say,
Well I wonder if you're okay.(Chorus)
Find me in the evening when you're ready to dance
and I will take you to the places,
where you never thought you'd have the chance to love,
love, love is all we have,
I will run myself in circles here without you.Ohh, I will run myself in circles here without you.Ohh I tried and tried and I can't hide from your love.
Darling it's too late to show me your intentions,
You know we gotta find a way to get past all the implications,
every situation,
every complication that we've come from.
love is all we have, i would run myself in circles here without you.
Darling, love, love, love is all we have,
I will run myself in circles here without you.
