

# Far from the Sea

**Bebel Gilberto**

No time for tears  
But the sky full of clouds remains  
All of the sudden love and care  
And my lonelinessSomewhere in mountains  
Near the stars  
Far from the seaBut the sea that I saw  
Has made me come back  
Somewhere in mountains  
Near the starsFar from the sea  
But the sea that I saw  
Has made me come back
