

Fill You Up

Nelson

You can't deny it, it's the same empty feelin' day after day
You've been waitin' forever for someone to come and take you away
I understand how it feels to be lonely, like it's you against the world
If you come take my hand, we can face it together, oh I give you my word
I can take you to heaven, come along for the rideLet me fill you up with love tonight, give you all of my love
Fill you up and make you come alive, I know you feel like givin' up
But now is the time to open up your wings and fly high
Let me fill you up with love tonightI know it ain't easy, it seems out of reach, beyond your control
Don't you give up on dreamin', don't settle for less
When you want so much more, open your eyes
Up to what you've been missin', life's been passin' you by
If you follow your heart it will all come together, so stop your cryin'
Oh, I can lead you to heaven, come along for the rideLet me fill you up with love tonight, give you all of my love
Fill you up and make you come alive, I know you feel like givin' up
But now is the time to open up your wings and fly high
Let me fill you up with love tonight, alright
