Playas Rock

Hurricane Chris

If I don't like the way that she actin' then I'ma tell her bye
How you gon' play a playa, you know how playas ride
Game recognize game and I been running game a lot
Never get caught in my lie, cross my heart and hope to die
If I don't like the way that she actin', I tell her bye
How you gon' play a playa, girl, you know how playas ride
Game recognize game and I been running game a lot
Never get caught in my lie, cross my heart and hope to die
See this how playas rock, see this how playas rock
See this how playas rock, see this how playas rock
Everythang was cool we was feelin' each other
Chillin' in the jacuzzi just water no bubbles
You know me I keep it gutta, hit it until you stutter
Then she got there asking me questions like she was undercover
Like who was that lil' chick that I let ride up in my ride
I'm a pimp so it ain't nothing for me to think of a lie
But I'd rather keep it real and tell her just how I feel
Look it here if you see with with another chick then it's just what it is
You ain't my main dame I just beat you out the frame
Baby, I'm hurricane, you gotta stay in yo lane
Stick to the script of a pimp and follow my gutta rules
And I you feel like you wanna leave then do what you do
Baby, you think I'm goin' cry Just because I lost you
Every time I loose one I bounce back with 2
How you think I got you somebody got laid off
I'm a pimp I pimp a chicken until she get played out
See this how playas rock, see this how playas rock
See this how playas rock, see this how playas rock
If I don't like the way that she actin' then I'ma tell her bye
How you gon' play a playa, you know how playas ride
Game recognize game and I been running game a lot
Never get caught in my lie, cross my heart and hope to die
If I don't like the way that she actin', I tell her bye
How you gon' play a playa, girl, you know how playas ride
Game recognize game and I been running game a lot
Never get caught in my lie, cross my heart and hope to die
See this how playas rock, see this how playas rock
See this how playas rock, see this how playas rock
Say lil' mama let me get up in it a minute

Make you wanna give it to me like you never gave it up before
And I bet I make you [Incomprehensible] with my boys
When I pull up in a Rolls Royce, I know where to hit Ro
Pull up fresh in the back gettin' low slow mo' no low
She can see my eyes
Everybody holla that boy so fly
And all I gotta do is get her in my ride
Give me a million dollars, I can make it go live
Let it be any chick in the world and I can make her mine
Put her in the whip, now, I'm feeling on her thighs
Take a shot of patron, now, I'm finna go live
And then she told me that she want me to cut her
But she ain't want me to use a rubber, no rubber, no rubber
I'm feelin' like u tryna get me caught up
No disrespect lil' mama but that's just how I was brought up
If I can't use protection when I cut then it ain't no cut
I can't picture me goin' in you raw that just ain't what's up
Lil' mama I'm a pimp and I will never get caught in my lie
Cross my heart and hope to die girl you know how playas rock
If I don't like the way that she actin' then I'ma tell her bye
How you gon' play a playa, you know how playas ride
Game recognize game and I been running game a lot
Never get caught in my lie, cross my heart and hope to die
If I don't like the way that she actin', I tell her bye
How you gon' play a playa, girl, you know how playas ride
Game recognize game and I been running game a lot
Never get caught in my lie, cross my heart and hope to die
See this how playas rock, see this how playas rock
See this how playas rock, see this how playas rock
See this how playas rock, see this how playas rock
See this how playas rock, see this how playas rock
And then she told me that she want me to cut her
But she ain't want me to use a rubber, no rubber, no rubber
And then she told me that she want me to cut her
But she ain't want me to use a rubber, no rubber, no rubber
