

Rolling Stone

Lucky Dube

Call me when you' re ready yeah
Call me when your head is right
She said the words and walked into the sunset
Like a cowboy
He was standing there like he got up
From a bad dream
And he said she wanted something
He could not give her (commitment)
He is one of the men I know
Who have chosen loneliness
And called it freedom
That' s why he always says[Chorus:]
I' m a rolling stone
'Cause a rolling stone
Gathers no mossShe told him once before
She' s not getting any younger you know
And when you look at her face
The years are showing
She is one of the women I know
Who wants it all in life (commitment)
He is one of the men I know
Who've taken loneliness
And called it freedom
That' s why he always says[Chorus:]
I' m a rolling stone
'Cause a rolling stone
Gathers no moss
