You Keep It All In

The Beautiful South

You know your problem
You keep it all in
You know your problem
You keep it all in

That's right
The conversation we had last night
When all I wanted to do was
Knife you in the heart
I kept it all in

You know your problem
You keep it all in
You know your problem
You keep it all in

Midnight, a husband getting ready to fight
A daughter sleeps alone with the light
Turned on, she bears but
Keeps it all in

Just like that murder in '73
Just like that robbery in '62
With all there things that have happened to me
I kept it all in
Why do you keep on telling me now

You know your problem
You keep it all in
You know your problem
You keep it all in

That's sweet
That conversation we had last week
When you gagged and bound me up to my seat
You're right, I do
I keep it all in
