Long Tall Sally

Little Richard

I'm gonna tell Aunt Mary about Uncle John
He claims he has the misery but he has a lot of funOh baby, yes, baby
Ooh baby, havin' me some fun tonight, yeahWell, long tall Sally, she's built for speed
She got everything that Uncle John needOh baby, yes, baby
Ooh baby, havin' me some fun tonight, yeahWell, I saw Uncle John with bald head Sally
He saw Aunt Mary comin' and he ducked back in the alleyOh baby, yes, baby
Ooh baby, havin' me some fun tonight, yeahWell, long tall Sally, she's built for speed
She got everything that Uncle John needsOh baby, yes, baby
Ooh baby, havin' me some fun tonight, yeahWell, I saw Uncle John with bald head Sally
He saw Aunt Mary comin' and he ducked back in the alleyOh baby, yes, baby
Ooh baby, havin' me some fun tonight, yeahWe're gonna have some fun tonight
We're gonna have some fun tonightOoh, Have some fun tonight
Every thing's all rightHave some fun
Have me some fun tonight
