In a Dream It Seemed Real

Islands

Open up your door for me
and let me in
Oh, can't you see
how cold I am?You remain there
unabated
and you refuse to
let me lose youOnly when I sleep I doAnd sounds forming words
from the well spring of concern
while my boat in that old shun turned
on the hull I watched the city burnIn a dream
In a dream
In a dream
It seemed realEven in the dream I cried
I'm the giveaway
I could never hide
All the sadness insideBlue, what a funny color to
color you
love is hard to hold onto
only when I sleep, i doand sounds forming words
from the well spring of concern
while my boat in that old shun turned
On the hull I watched the city burnIn a dream
In a dream
In a dream
It seemed real
