Diamonds

Josef Salvat

Shine bright like a diamond
Shine bright like a diamondFind light in the beautiful sea
I choose to be happy
You and I, you and I
We're like diamonds in the sky
You're a shooting star I see
A vision of ecstasy
When you hold me, I'm alive
We're like diamonds in the sky
I knew that we'd become one right away
Oh, right awayAt first sight I felt the energy of sun rays
I saw the life insideÂ
So shine bright tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the skyShine bright like a diamond, ooh oh
Shine bright like a diamond, ooh oh
Shine bright like a diamond
We're beautiful like diamonds in the skyPalms rise to the universe
As we moonshine and molly
Feel the warmth, we'll never die
We're like diamonds in the sky
You're a shooting star I see
A vision of ecstasy
When you hold me, I'm alive
We're like diamonds in the skyAt first sight I felt the energy of sun rays
I saw the life inside your eyes
So shine bright tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the skyShine bright like a diamond, ooh oh
Shine bright like a diamond, ooh oh
Shine bright like a diamond
We're beautiful like diamonds in the skyShine bright like a diamond
Shine bright like a diamondSo shine bright tonight, you and I
We're beautiful like diamonds in the sky
Eye to eye, so alive
We're beautiful like diamonds in the skyShine bright like a diamond, ooh oh
Shine bright like a diamond, ooh oh

Shine bright like a diamond
We're beautiful like diamonds in the sky
Shine bright like a diamond, ooh oh
Shine bright like a diamond, ooh oh
Shine bright like a diamond
We're beautiful like diamonds in the sky
