Time Is Not

Laura Gibson

I've been careless with my questions
For my burden is like a halo
Held my hopes like broken wings
Traded peaceful backward glances
Babe you're the one who called that spiders
For time is not agaist us
Time is not against usRed is the fox in the white of winter
All in the baby is in to battle
Cutting my knees on the raised wired
Just too bared in the river of desire
Babe I'm lately drawn to fire
Time is not against us
Time is not against us
Oh we've been lightening the trail we chose
Oh With nothing more than a match
Pouring strenght that enrich the spirits
Taking a torch to every shadow
Babe you were right about tomorrow
For time is not agaist us
Time is not agaist us
Time is not agaist us
Time is not agaist us
