

# Vapour Trail

[trespassers william](#)

First you look so strong  
Then you fade away  
The sun will blind my eyes  
I love you anyway First you fight your smile  
I loved you for a while  
You are a vapour trail  
In a deep blue sky Tremble with a sigh  
Glitter in your eye  
You seem to come and go  
I never seem to know And all my time  
Is yours as much as mine  
We never have enough  
Time to show our love
