

Doing All Right

Queen

Yesterday my life was in ruin
Now today I know what I'm doing
Got a feeling I should be doing all right
Doing all right

Where will I be this time tomorrow
Jumped in joy or sinking in sorrow
Anyway I should be doing all right
Doing all right

Should be waiting for the sun
Looking round to find the words to say
Should be waiting for the skies to clear
There ain't time in all the world

Should be waiting for the sun
And anyway I've got to hide away

Yesterday my life was in ruin
Now today God knows what I'm doing
Anyway I should be doing all right
Doing all right

Doing all right
