

# Sweet Victory

## Trip Lee

I feel thorns where my crown was  
(I be weak but I'm alive)  
From the dusk until dawn yeah  
(I'll survive 'cause I got) sweet victory  
Nobody can take it from me sweet victory  
'Cause I got (sweet victory) yeah You see me limp in'  
I know you see me limp in'  
You can't tell on these CD's but bro I'm knee deep in it  
I'm waiting in my weakness he may be deep in it  
I be lyin' through my teeth to say I don't resent it  
Even as I right these lines I'm close to tears  
Body ain't be workin' right for 7 years  
So miss me with that keep your chin up try to smile  
Bro I'm 26 I should feel better by a mile  
Keep all your anecdotes and cute quotes  
I'll pass some clichés for true hopes it too dope I feel thorns where my crown was  
(I be weak but I'm alive)  
From the dusk until dawn yeah  
(I'll survive 'cause I got) sweet victory  
Nobody can take it from me sweet victory  
'Cause I got (sweet victory) yeah Toast to the King  
Cheers to the ceiling  
Feeling good we gon' make it to the finish (sweet victory)  
You hear me  
Holla if you feel me  
Yeah we still runnin' even though we limp in' (sweet victory)  
'Cause we winnin', yeah we know we winnin'  
Even though we're winnin' we're still in it (sweet victory)  
'Cause we winnin', yeah we know we winnin'  
Now we livin' (sweet victory) They see me on the stage  
They like that boy the man  
They hear play on them songs  
They clappin' in them stands  
They like "I bet you got a lot of good stuff from other bands"  
So when I say it's been a few hard years they think I'm playin'  
But you don't know my life boy  
You don't know my life boy  
You don't know what it's been like on my wife  
Don't know my fight boy

Being in the trenches steady tryna' fight my foes  
And when I couldn't fight no more it brought me low, low  
It brought me low I know can't bet it low I feel thorns where my crown was  
(I be weak but I'm alive)  
From the dusk until dawn yeah  
(I'll survive 'cause I got) sweet victory  
Nobody can take it from me sweet victory  
'Cause I got (sweet victory) yeah Toast to the King  
Cheers to the ceiling  
Feeling good we gon' make it to the finish (sweet victory)  
You hear me  
Holla if you feel me  
Yeah we still runnin' even though we limp'in' (sweet victory)  
'Cause we winnin', yeah we know we winnin'  
Even though we're winnin' we're still in it (sweet victory)  
'Cause we winnin', yeah we know we winnin'  
Now we livin' (sweet victory) They like I here you talkin' wins but I see your losses  
You celebratin' crowns but I see your crosses  
That's the paradox that don't fit in your Mary box  
You might not understand if you walk in this pair of socks  
The Victor ain't the one that's winnin' seventh inning  
Trophies don't go to the ones that got a good beginning  
When I say I win I don't mean the state I'm in  
I mean that day when the grace got fade out then  
I'm winning 'cause I ran with Him The crown of thorn  
Declares your King  
A scarlet robe can't cloak Your majesty  
They nailed Your hands  
You mailed our death  
From the cross You reigned  
Your Kingdom knows no end  
Oh, Jesus  
You won it all  
Oh, Jesus  
Victorious  
Oh, Jesus  
You won it all  
Oh, Jesus  
Victorious  
Oh, Jesus
