

# Stronger (Feat. Leela James)

## Robert Randolph & The Family Band

Sometimes it ain't easy  
Sometimes life can be so hard  
But I can rise above it  
With you I can be stronger Sometimes it gets lonely  
And I can feel the weakness creepin' in  
But I can rise above it  
With you I can be stronger, I can be stronger Stronger than I've ever been  
Cause love can conquer anythin'  
Stronger than I've ever dreamed  
Cause love is all I ever need  
With you I can be stronger Sometimes the load is heavy  
Sometimes it's just too much for me to bear  
But I can rise above it  
With you I can be stronger, I can be stronger Stronger than I've ever been  
Cause love can conquer anythin'  
Stronger than I've ever dreamed  
Cause love is all I ever need With you I can be stronger  
(I can be stronger)  
I can go for many miles  
(Go for many miles)  
Climb all the way you mounted  
(Climb)  
With you I got the strength to carry on  
(Carry on, carry on)  
Carry on  
(Carry on) Stronger than I've ever been  
(Stronger)  
Cause love can conquer anythin'  
Stronger than I've ever dream  
(Stronger)  
Cause love is all I ever need  
(Ever need) With you I can be stronger  
(I can be stronger)  
I can be stronger  
(I can be stronger)  
With you I can be stronger
