

# Farm Boy

Billy Bragg

Whisper under my breath, say a little prayer  
Same as I do every time, I step into the sun's bright glare  
I am just a farm boy, lived up on the hill  
Wanted to get away, now the army pays my bills  
And I'm just dreaming of the time that I can go home  
I'm just dreaming of the time that I can go home  
Here comes a captain, take his anger out on me  
Calls down fire upon my country's enemies  
Wants me to pick our targets but all that I can see  
Is farmers and their families and a whole lot of misery, yeah'  
Cos I'm just dreaming of the time when I can go  
home  
I'm just dreaming of the time when I can go home  
Say a little prayer now, second one today  
Oh, sweet Jesus, won't you take my sins away?  
I'm dreaming of the time that I can go home  
I'm just dreaming of the time when I can go home  
Yeah, I'm dreaming of the time when I can go home  
I'm just dreaming of the time that I can go home
