

# Mr Pain

## Francis Jocky

Mr pain I've got to go, Mr pain why can't you see  
Deny my call, can't hear my voice, deny my life ...

Mr pain such a long time

We've been married all along

But these days I want to fly

Why don't you listen to my songDon't you know there is no rain

Don't you know there is no tear

Don't you know I've got the plan

I can feel the peace inside my heartForget my name, forget my face, forget my trace  
Forget my name, forget my face, yes forget my traceDon't you know there is no rain

Don't you know there is no tear

Don't you know I've got the plan

I can feel the peace inside my heartDon't you know there is no rain, don't you know there is no fear

Don't you know I keep the faith, I can feel the peace inside my heart

Don't you know there is no rain, don't you know there is no tear

Don't you know I've got the plan, I feel the peace inside my heartMr pain I've got to walk

Mr pain I leave you now
