

# Dirty Little Secret (Thievery Corporation Mix)

[Sarah McLachlan](#)

If I had the chance love  
I would not hesitate  
To tell you all the things  
I'd never said before  
Don't tell me it's too late  
`Cause I've relied on my illusions  
To keep me warm at night  
And I've denied in my capacity to love  
But I am willing to give up this fight

Been up all night drinking  
To drown my sorrow down  
Nothing seems to help me  
Since you went away  
I'm so tired of this town  
Where every tongue is wagging  
When every back is turned  
They're telling secrets  
That should never be revealed  
There's nothing to be gained  
But disaster  
Here's a good one  
Did you hear about my friend  
He's embarrassed to be seen now  
`Cause we  
All know  
His sins...

`Cause I've relied on my illusions...

If I had the chance love  
You know I would not hesitate  
To tell you all the things  
I never said before  
Don't tell me it's too late  
`Cause I've relied on my illusions  
To keep me warm at night  
And I've denied in my capacity to love  
But I am willing to give up this fight

Oh I am willing to give up this fight
