Media Star

Groundbreaking

Call me fake while making you scream, but it's something that you taught me well
You do the same damn things just to do them again, you're sold out from what I can tell

They love the things you do, ignorance follows you
But I can it through all of your lies, with your fake persona of your life

So pretty
Subpar
So funny
You're a Media Star

Call me out on all of my hate, but in the end I'm more real than you
Cause in the end you'll end up just like me with nothing else left to do

You play your pointless games, you act like you don't know
So why don't you tell me just what influence you make huh
Here we go

So pretty
Subpar
So funny
You're a Media Star

Lights, Camera
All greed
You act so perfect
It's all you need

Look good for that camera
You know, it's the only thing you're good at

So pretty
Subpar
So funny
You're a Media Star

Lights, Camera
All greed
You act so perfect
It's all you need
