## My Favorite Mistake

## **Sheryl Crow**

Oooh

Oooh

Oooh

OoohI woke up and called this mornin'

The tone of your voice was a warnin'

That you don't care for me anymoreI made up the bed we sleep in

I looked at the clock when you creep in

It's six a.m. and I'm aloneDid you know when you go

It's the perfect ending

To the bad day I was just beginning

When you go all I know is

You're my favorite mistakeWell, your friends are sorry for me

They watch you pretend to adore me

But I'm no fool to this gameNow here comes your secret lover

She'd be unlike any other

Until your guilt goes up in flamesDid you know when you go

It's the perfect ending

To the bad day I've got used to spendin'

When you go all I know is

You're my favorite mistake

You're my favorite mistakeWell maybe nothin' lasts forever

Even when you stay together

I don't need for ever after

It's your laughter won't let me go

So I'm holdin' on this wayDid you know, could you tell

You were the only one

That I ever loved

Now everything's so wrongDid you see me walkin' by

Did it ever make you cry

You're my favorite mistake

You're my favorite mistake

You're my favorite mistake
