

# (Now You See Me) Now You Don't

[Lee Ann Womack](#)

Better take a good look before I disappear  
Because I'm just about to be your used to be  
You might catch a glimpse of my taillights in the dust  
And if you notice something missin', well it's me 'Cause I tried and you lied  
I cried and you stood by  
Well, here's a little magic thing I do Now you see me, now you don't  
First you do but then you won't  
Watch me vanish right before your eyes You might think, you see me there  
In a cafe on a street somewhere  
Yeah, that might be me but I'll be gone  
Now you see me, now you don't If you ever get the feelin' that it feels like deja vu  
Because some stranger feels like someone that you know  
Might be the color of her lipstick or the smell of her perfume  
That sends a shiver all the way down to your toes Don't blink 'cause it ain't  
Yeah, what you think  
It's just your heart playing tricks on you Now you see me, now you don't  
First you do but then you won't  
Watch me vanish right before your eyes You might think, you see me there  
In a cafe on a street somewhere  
Yeah, that might be me but I'll be gone  
Now you see me, now you don't Hey, you might think, you see me there  
In a cafe on a street somewhere  
Yeah, that might be me but I'll be gone  
Now you see me, now you don't Now you see me, now you don't  
Now you see me
