

# XO (Instrumental)

## The Eden Project

She's in love with the concept  
As if we're all just how she imagined  
Cos we're in love, I just don't know it yet  
Well tell me how am I supposed to see the magic  
Cos I don't believe in it no more  
But I won't tell her  
Cos I always imagined  
It's easier if she thinks she won  
So I'mma let her  
And she said  
I don't think I love you no more  
You never seem to call me lately  
Girl, I don't think you know me at all  
Cos I never thought I'd have to say this  
No, I don't love you  
And I never did look at us  
Burning down in flames for kicks  
But just know  
I'm not singing for your XO  
I'm just singing cos it's over  
Came and went like the summertime  
Was that a sunset or sunrise?  
Looking back like where'd the time go  
So much for trying to keep this moving slow  
Cos I don't believe in her no more  
But I remember  
How we talked shit like we knew what we wanted  
I still remember what she said  
I don't think I love you no more  
You never seem to call me lately  
Girl, I don't think you know me at all  
Cos I never thought I'd have to say this  
But I'm no liar and I never hid anything  
You should've seen it coming to this  
Just know  
I'm not singing for an ex though  
I'm just singing cos it's over
