Everything Works If You Let It

Enuff Z'nuff

Everything'll work out if you let it
Everything'll work out if you let it
Everything'll work out if you let it
Let it in your heartEverything works if you let it
If you let it in your heart
Yeah everything works if you let it
If you let it in your heartShe is the girl of his dreams
He wants her, he thinks 'forget it'
He's got a pain in his heart he feels like crying
So lonesome for love he feels like dyingBut don't stop the dream
He can fix it, I know he can
He's the world's world's greatest
At the work that he does
When he moves on down the lineShe is the girl of his dreams
He wants her, he thinks 'forget it'
He'd love to look inside her heart
And see if she agreesBut don't stop the dream
He can fix it, I know he can
He's good, he's great
At the work that he does
And there's magic in the airEverything'll work out if you let it
Everything'll work out if you let it
Everything'll work out if you let it
Let it in your heartGood times, bad times don't know what to do
Half the time and all the time
Don't know if it's true
Someday, somewhere know if it's true
She'll look inside her heart and decide
It's really you
