

Lonesome Valley

Kitty Wells

Hark the voice of Jesus calling come and work for him today
The fields are white and the harvest falling come and work for him today
You've got to walk that lonesome valley you've got to go there by yourself
There's no one here can go there with you you've got to go there by yourself
[steel]

My mother told me when she was dying just before her breath was gone
My darling one put trust in Jesus for I'll leave you here alone
You've got to walk...
[steel]

Some people say he was a Baptist others say he was a Jew
But the Holy Bible tells us that he was a preacher too
You've got to walk...
