

# Let It Snow! Let It Snow! Let It Snow!

Trisha Yearwood

Oh the weather outside is frightful  
But the fire is so delightful  
And since we've no place to go  
Let it snow, let it snow, let it snow It doesn't show signs of stopping  
And I've brought some corn for popping  
The lights are turned way down low  
Let it snow, let it snow, let it snow When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm Oh the fire is slowly dying  
And my dear, we're still goodbying  
But as long as you love me so  
Let it snow, let it snow, let it snow When we finally kiss goodnight  
How I'll hate going out in the storm  
But if you really hold me tight  
All the way home I'll be warm Oh the fire is slowly dying  
(my career is slowly dying)  
And my dear, we're still goodbying  
But as long as you love me so  
Let it snow, let it snow, let it snow
