

I Remember When

New Kids On the Block

Days are gone but my love
Lives on in this space and time
I remember playing the games
Funny nicknames
And all the sunny days
That shine so brightly I keep remembering when
We started together as friends
I keep remembering when
We were together forever The promise we made
Still stays in my head like the melody
I remember favorite songs
We heard all night long
In the candlelight
Still shines so brightly I keep remembering when
We started together as friends
I keep remembering when
We were together forever I bet you didn't know
How much I love you
I bet you didn't know
Just how much I care
Little girl whenever I'm around you
All in love is fair, girl I keep remembering when
We started together as friends
I keep remembering when
We were together forever
